GENERAL RULES

Bidders have to fill in all such information as required in the tender documents.

The item rates quoted by the tenderer shall be inclusive of Income Tax, Sales Tax, Royalty or any other Provincial and Central Taxes applicable at that time. Provisional or conditional tender shall not be accepted.

The tenderer shall be presumed to have carefully examined the conditions of the contract and specifications of the work. The tenderer will also be deemed to have inspected the work site and to have satisfied himself/herself/themselves independently as to the nature, extent and practicality of all works and required road approaches & other means of communication & access to the site, lands, buildings, available for accommodation that may be required for temporary purpose in connection with the contract of work, as also availability of construction materials, location of work site including its climate & other geological characteristic, availability of skilled, semi-skilled & unskilled labourers. The consequences of the lack of necessary knowledge will be borne entirely by tenderer.

The tenderer shall submit a program of the execution of the work along with the tender.

The tenderer will maintain watch guards for the safety of the materials, if any, supplied by the department at his own cost.

All labourers engaged in the work are to be paid wages as per Minimum Wages Act in force at the time of execution of this work.

The tenderer will provide to the labourers, huts for shelter, drinking water and medical facilities at site and keep the site clean at his own cost.

Extension of time may be granted on valid ground by the competent authorities as per Government rules and circulars in force and as revised from time to time.

On receipt of the written order from the General Manager, Jharkhand Urban Infrastructure Development Company Limited, the successful tenderer will first deposit the balance amount of initial security deposit (ISD) within the specified period of ten days and then enter into an agreement with General Manager, Jharkhand Urban Infrastructure Development Company Limited on the basis of the stipulation in the approved tender documents before the issue of work order.

The earnest money of the successful tenderer will be forfeited in case the tenderer declines to sign the agreement or fails to deposit initial security money within 10 days of being called upon to do so after approval of the tender by the Competent Authority.

The items of works, plans, specification or any other information in connection with the work can be seen in the office of the Jharkhand Urban Infrastructure Development Company Ltd. (JUIDCO Ltd.), 3rd Floor, Pragati Sadan, Kutchery Road, Ranchi – 834001 on any working day during office hour before filling the tender.

- a) If the rate quoted by the tenderer is above the BOQ rate and the competent officer has approved above the BOQ rate, then the enhancement over the BOQ rates shall not be applicable over the cost of materials applicable as per latest Road Construction Department circular.

- b) If the tenderer quotes the rate below the BOQ rate and the competent officer approves it, then the reduction over the BOQ rate shall be applicable on all items of work including the cost of materials applicable as per latest Road Construction Department circular.

General Manager (W&P)
JUIDCO Ltd., Ranchi

SPECIAL CONDITIONS OF CONTRACT

1. The successful tenderer (hereinafter called the Contractor) must maintain a site order book at each work site which will be produced when asked for by the Company officers for needful. This book must at all times be available at the site and should be produced before any inspecting or supervising officer without fail. The instructions given in the site order book shall be complied by the contractor. A copy of the same should be kept by the Assistant Project Manager. The site order book may be submitted to Project Manager with running account bills, if required, but must be submitted with final bill.
2. The contractor should always remain available at the work site, but where it is not so possible for him to do so, he must appoint a representative for the purpose who would be duly authorized by the contractor to receive instructions and carry out instruction of Company officers, and also to receive letters. He may also delegate to him any other power as he thinks fit, but in every case he will inform immediately the concerned Assistant Project Manager, Dy. Project Manager and Project Manager regarding appointment of such representative along with his name and identity in writing by Regd. Post with A/D.
3. If the Royalty clearance certificate for mines/minerals used in the work is not produced with the bill, Royalty will be deducted from the concerned running bill, as per the instruction of the Department of Mines. Production of royalty clearance certificate along with the final bill is a must, failing which final bill will neither be passed nor paid, and for such non-payment or delay in payment, the whole and sole responsibility will be of the contractor alone.
4. The contractor shall provide sufficient plant, equipments and labour and shall work such hours and shifts as may be necessary to maintain the progress schedule. The working and shift hours shall comply with all Govt, rules and regulations in force from time to time during the entire period of execution of the contract work.
5. The contractor should get the sample of all the materials approved by the E/I, before collecting the same for use at work site. The sample in sealed glass jars shall be kept in the custody of the E/I.
6. The contractor shall have to get tested the strength of cement concrete (both plain & reinforced) for each days casting as per BIS codes. Achievement of the prescribed cube strength is a must. The cost of concrete cubes moulds, curing, carriage of cubes to and from the testing laboratory and all other incidental charges incurred in this regard shall be borne by the contractor.
7. The contractor shall conduct as many tests on materials, intermediate products such as concrete mixture / mortar mixture at his own cost. He shall also if required by the E/I, arrange for such test. If the quality of materials appears to be inferior or the portion of the work is found to be defective or unsound, the contractor may be asked to remove and or pull down and re-execute the same at his own cost. The contractor shall bear all costs in this regard, without any relaxation in regard to period of contract.
8. All rejected materials will have to removed from the site by the contractor, after their rejection, within seven days from the date of written order of Project Manager, failing which the Project Manager will get these removed in whatsoever manner he thinks fit and will recover the cost involved for such removal from the contractor after lapse of seven days time.

9. If the actual lead of materials like stone metal, stone chips, boulder, bricks, sand, moorum etc., is found to be less than the lead provided in the BOQ, then its payment will be made proportionately on reduced rate. (Reduction in rate will be made in the ratio of approved rate and rate provided in the BOQ remaining the same).
10. It will be essential to do all items of Building works (Original work) in sequence in a scientific manner. Work shall be executed in a such a manner which leads to progress of all items of work.
11. The JUIDCO reserves the right of omitting or suspending the construction or changing site etc., if considered necessary at any stage.
12. The work incidental to items included in the BOQ shall not be paid extra and the tendered rates are deemed to include these:-
 - a. Site clearance.
 - b. Setting out works, profile, lay-out etc.
13. CLAIM SHALL NOT BE ADMISSIBLE under following circumstances:-
 - a. Extra items of work done without written order of competent departmental officer.
 - b. In case of sudden fluctuation and / or increase in rates of labour, materials, royalty, various taxes, railway freight, fuel, lubricants, carriage cost etc. at any stage of the work
 - c. Non-availability of labour of any category required for the work. d) Labour sitting idle due to any reason / cases.
 - d. Delay in communication regarding any changes or modification in design, drawing, specification, alteration & addition etc.
 - e. Loss sustained due to:-
 - i. Acts of enemies including agitation by Public and Riot.
 - ii. Transportation and Procurement difficulties.
 - iii. Natural Calamities.
 - iv. Any other circumstances beyond human control.
14. Extension of time, if justified, may be granted by the different competent officers for different periods of time, for different types and values of works as per rules / circulars / guidelines in force. Otherwise penalty for non-fulfillment of the contract may be imposed, after giving due consideration for poor progress at different stages of works without valid and satisfactory reasons. The Officer granting such extension of time has the full liberty to weigh & examine the circumstances which led to such requirement for fulfillment of contract, and use his own discretion for passing final orders, which shall be treated as final and shall be binding and conclusive on the contractor.
15. The contractor shall, if required by the E/I arrange to test materials at site or get them tested in recognized departmental testing laboratories at his own cost in order to prove their soundness and sufficiency as per specifications laid down. The number of tests required for different items will be specified by the E/I.
16. The tenderer will have to enclose an affidavit as per format annexed for arranging the Batch Mix Plant/Concrete Mixture, Transit Mixture, Vibrator and other equipments shown as credential, not specifically required to be owned, on hire or otherwise, as may be necessary for completion of this specific work.
17. The successful tenderer shall be bound to adhere to and follow rigidly the labour laws in

vague or which may come into force even after execution of the contract agreement with regard to payment to workmen of their wages, compensation for incurring injuries or meeting death while engaged in actual work and registration with the appropriate labour authorities and sales tax department, failure on the part of the successful tendered to fulfill these statutory requirement will empower the engineer-in charge to rescind the agreement and make good form the bills and other dues of the tendered. The amount payable by him to the workmen on the government short of recondition of agreement the Engineer-in charge may enforce other penal action/legal action also on this scope against the tendered.

18. The tendered must offer with their tenders a time schedule of construction / bar chart according to which it is proposed by him to complete the work within the time stipulated in the tender. This will however be subject to modification and approval of the Engineer-in charge. The successful tenderer shall be offer temporary site free of cost for erecting his temporary field office, workshop, stores and labour hutments. On completion of work there will have to be removed and the site properly dressed and cleared to the satisfaction of the Engineer-in charge at his own cost The overall completion of the work shall be reckoned on the date that the above sale clearance is done after completing the building as per agreement and specification
19. The responsibility for the safety and specification of the temporary works mentioned in Para- 17 and 18 above shall be responsibility.
20. The payment for final bill will not be made until the contractor has handed over vacant possession of the land vides para-18 above to the Engineer-in charge.
21. All Building materials and hardware collected at the site for the construction shall be so stored that it may be possible and convenient for instruction by the Engineer-in-charge or his representative at all time.
22. The rates entered into contractor agreement shall be final and conclusive nothing extra beyond them shall be payable either on account of price hike, increase in taxation rates and increase in freights and fare etc.
23. The work shall be deemed to have been completed only after the contractor has obtained a certificate to this effect from the engineer-in charge.
24. The period of defect liability shall be 60 days from the date of completion as certified by the Engineer-in charge during which it shall be incumbent upon the contractor as maintain and make good all the damages in the building.
25. The contractor shall engage technical staff for execution of the work as the work as required and approved by the Engineer-in-charge.
26. The decision of the Engineer-in-charge in respect of the quality of materials and workmanship shall be final conclusive upon the contractor
27. The contractor shall be free to use his own truck registered in his own name or in the name of any of his partner for the transportation of materials otherwise he will have to use public carrier for the purpose.
28. The tender being an item rate, the Engineer-in-charge shall be empowered to call upon the contractor to work for quantities same or less than these stipulated in the tender document and the contractor shall be bound to execute such order.

29. Any tax payable under local rules and acts shall be borne by the contractor entirely on his own cost.
30. The employer reserves right to split up the works amongst more than the tenderers for which no claim will be entertained.
31. Safety precaution as lay down in the safely codes shall be taken by the contractor during execution of the work.
32. Any work, which does not confirm to the B.C.D specification standard, shall be dismantled for re-doing by the contractor at his own cost.
33. Every tender must be accompanied with the forwarding where in the details of earnest money. Registration number of any other matter which the tendered wishes to mention.
34. The tenders before offering for the work are expected to inspect the site of work and acquaint themselves with the situation obtaining there with regard to the liability of Labour and materials no claim on account of lead of varies items of building material will be admissible as the rate for each item is for complete job.
35. The materials and workmanship should confirm strictly and rigidity to the B.I.S specification/B.C.D. Specification as mentioned in tender document.
36. The articles of building hardwares e.g. brick khoa, surkhi lime stone ballast fine and coursed aggregate, timbers, hinges, bolts handles, screws glass steel windows and doors and other miscellaneous items shall be of best quality available at the time and shall be used only after the Engineer-in charge gave approved them In this behalf the decision of the Engineer-in-charge shall boot be opened to challenge or question by the contractor.
37. The rates for R.C.C. Work shall be inclusive of centering shuttering, laying and curing and exclusive of cost of reinforcement, bonding binding and placing.
38. The contractor shall be bound to make arrangement for first aid for the workmen at the site of work and make arrangement at his own cost for medical treatment of workmen injured seriously at the site in course of execution of work.
39. Where in case of any dispute between the workmen and the contractor regarding payment of wages. The Engineer-in charge will have full power to pay the wages of such workmen after he has satisfied himself after enquiry that the claims of workmen after he has satisfied himself after enquiry that the claims of workmen are correct and justified and such payment by the Engineer-in-charge shall be adjusted from the dues of the contractors.
40. The quoted rate shall be inclusive of sales tax under the Bihar Finance Act, 1984 on works contract together with all Jharkhand Taxes, including Labour Tax.
41. The contractor will make his own arrangement for watch and ward and may loss of Govt. materials/or other materials will be to the account of the contractor.

General Manager (W&P)
JUIDCO Ltd., Ranchi

CONDITION OF CONTRACT

<p>Compensation</p>	<p>Clause 1: All compensation or other sums of payable by the contractors to Government under the terms of his contract may be deducted from, paid by the state of a sufficient part of his security deposit or from the interest arising therefore or from any sums which may be due or may become due to the contractor by Government on any account whatsoever and in the event of his security deposit being reduced by reason of any such deduction or sale as aforesaid, the contractor shall within ten days thereafter make good in cash of Government securities endorsed as aforesaid any sum or sums which may have been deducted from or arised by sale of his security deposit of any part thereof.</p>
<p>The work should not be considered until such date as the Project Manager, JUIDCO Ltd. shall certify as the date on which the work is finished after necessary rectification of defects as pointed by the Project Manager, JUIDCO Ltd. his authorised agents are fully contractor to the Engineer's satisfaction</p>	<p>Clause 2: The time allowed for carrying out the work as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the written order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be carried on with all due diligence (time being deemed to be the essence of the contract on the part of the contract or) and the contractor shall pay as compensation an amount equal to ½ percent on the amount of the estimated cost of the whole work as shown by the tender for every day that the work remains uncommenced or unfinished after the proper date. And further to ensure good progress during the execution of the work the contractor shall be bound in all cases in which the time allowed for any work exceeds one month to complete one fourth of the whole of the work before one-fourth of the whole time allowed under the contract has elapsed one-half of the work before one-half of such time elapsed and three-fourth of the work, before three fourths of such time has elapsed in the event of the contractor falling to employ with this condition. I shall be liable to pay as compensation an amount equal to ½ percent on the said estimated cost of the whole work for every day that the due quantity of work remains incomplete provided always that the entire amount of compensation to be paid under the provisions the clause shall not exceed 10 percent of the estimated cost of the work as shown in the tender.</p>
<p>Action when security deposit forfeited</p>	<p>Clause 3: In any case which under any clause or clauses of or this contract the contractor shall have rendered himself liable to pay compensation amounting to the whole of his security deposit in the hands of Government (where paid in one sum or deducted by installments) the Project Manager, JUIDCO Ltd. on behalf on the Jharkhand Government shall have been powered to adopt any of the following courses, as he may deem best suited to the interest of Government.</p> <p>a. To rescind the contract (of which rescind notice in writing to the contractor under the hand of the Project Manager, JUIDCO Ltd. shall be conclusive evidence) and in which case the security</p>

	<p>deposit of the contractor shall start forfeited, and be absolutely at the disposal of Government.</p> <p>b. To employ labour paid by the Public Works Department and to supply materials to carry out the work, or any part of the work, debiting the construction with the cost of the labour and the price of the materials (of the amount of which cost and price certificate of the Engineer-in-charge shall be final and conclusive against the contractor), and crediting him with the value of the work done, in all respects in the same manner and at the same rates as if it had been carried out by the contractor under the terms of his contract, the certificate of the Project Manager, JUIDCO Ltd. as to the value of the work done shall be final and conclusive against the contractor.</p> <p>c. To measure up the work of the contractor and to take such part of the work of the contractor as shall be unexecuted out of his hands, and to give it another contractor to complete in which case any expenses which may be incurred in excess of the sum which would have been paid to the original contractor if the whole work had been executed by him (of the amount of which excess the certificate in writing of the Project Manager, JUIDCO Ltd. shall be final and conclusive) shall be born and paid by the original contractor and made be deducted from any money due to him by Government under the contract or otherwise or from his security deposit or the proceeds of sale thereof, or a sufficient part thereof.</p> <p>In the event of any of the above courses being adopted by the Project Manager, JUIDCO Ltd., the contractor shall have no claim to compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagement, or made advances on account of or with a view to execution of the work or the performance of the contract. And in case the contract shall be rescinded under the provision aforesaid, contractor shall not be entitled to recover or be paid any sum for any work there-to-fore actually performed under this contract unless and until the Project Manager, JUIDCO Ltd. shall have certified in writing the performance of such work and the value payable in respect thereof and he shall only be entitled to be paid the value so certified.</p>
<p>Contractor remains liable to pay compensation if action not takes under clause 2.</p>	<p>Clause 4: In any case in which any of the powers, conferred upon the Project Manager, JUIDCO Ltd. by clause 3 thereof shall have become exercisable and the same shall not be exercised the non-exercise thereof shall not continue waiver of the conditions here and such power shall notwithstanding be exercisable in the event of any future case of default by the contractor for which by any clause or clauses hereof he is declared liable to pay compensation amounting to the whole of his security deposit and the liability of the contractor for past and future compensation shall remain unaffected in the event of the Project Manager, JUIDCO Ltd. putting in force the powers vested in him under the preceding clause he may, if so desires, take possession of all or any tools, plants, materials and store, in or upon the works of the site thereof or belonging to the contractor or procured by him and intended to be</p>

	<p>for the execution of the work or any part there of paying or allowing for the same in the contract at the account rates, or in case of these not being applicable at current market rates to be certified by the Project Manager, JUIDCO Ltd. whose certificate thereof shall be final, otherwise the Project Manager, JUIDCO Ltd. may notice in writing to the contractor or his clerk of the work, foreman or other authorized agent require him to remove such tools, plants, materials or stores from the premises (within a time to be specified in such notice) and in the event to the contractor falling to comply with any such requisition the Project Manager, JUIDCO Ltd. may remove them at the contractor expense or sell them by auction or private sale on account of the contractor and at his risk in all respect, and the certificate of the Project Manager, JUIDCO Ltd. as to the expense of any such removal and the amount of the proceeds and expense of any such sale be final and conclusive against the contractor.</p>
Extension of time	<p>Clause 5: If the contractor shall desire any extension of the time for completion of the work, on the ground of his having been unavoidably hindered in its execution or on any other ground other than those mentioned in clause 12(a) he shall apply in writing to Project Manager, JUIDCO Ltd. within 40 days from the date of starting of the hindrance on account of which he desires such extension as aforesaid and the Project Manager, JUIDCO Ltd. shall, if in his opinion (which shall be final) reasonable grounds be shown there of authorised such extension of time, if any, as may in his opinion be necessary or proper. The Project Manager, JUIDCO Ltd. shall at the same time inform the contractor whether he claims compensation for the delay.</p>
Final Certificate	<p>Clause 6: On completion of the work, the contractor shall be furnished with a certificate by the Project Manager, JUIDCO Ltd. (hereinafter called the Engineer-in-charge) of such completion, but no such certificate be given, nor shall the work be considered to be complete until the contractor shall have removed from the area of the premises (to be distinctly marked by the Project Manager, JUIDCO Ltd. in the site plan) on which the work shall be executed all scaffolding surplus materials and rubbish, and cleaned of the dirt from all wood-work, doors, windows, walls, floors or other parts of any building, in upon or about which the work is to be executed, or of which he may have had possession for the purpose of the execution thereof, not until the work shall have been measured by the officer of the Public Work Department in accordance with rules of Department whose measurements shall be binding and conclusive against the contractor. If the contractor shall fall to comply with the requirements of this clause as to removal of scaffolding, a surplus materials and rubbish and cleaning off dirt on or before the date fixed for completion the work, the Engineer-in-charge may at the expense of the contractor remove such scaffolding, surplus materials and rubbish and dispose of the same as he thinks fit and clean of such dirt as aforesaid and the contractor shall forth with pay amount of all expense so incurred,</p>

	<p>and shall have no claim in respect of any such scaffolding or surplus materials as aforesaid, except for any sum actually realised by the sale thereof.</p>
<p>Payment of in terms date certificate of to be regarded as advance and Bill to be submitted monthly</p>	<p>Clause 7: A bill shall be submitted by the contractor each month or before the date fixed by the Engineer-in-charge for all work executed in the previous months and the Engineer-in-charge or his subordinate shall take the requisite measurement for the purpose of having the same verified and the claim, as far as admissible, adjusted, if possible, before the expiry of the days from the presentation of the bill. If the contractor does not submit the bill within the time fixed as aforesaid, the Engineer-in-charge or his subordinate shall measure up the said work in the presence of the contractor whose counter whose counter signature on the measurement list will be sufficient warrant, and the Engineer-in-charge or his subordinate shall prepare at bill from such list which shall be binding to the contractor in all respects.</p> <p>Provided that, if any balance of the 10% security is outstanding from each such payment shall be deducted so much not exceeding 5% may be necessary to make up the balance of the security. All such intermediate payment to the contractor shall be regarded as payments by way of advance against the final payments only and not as payments for work actually done and completed and shall not preclude the repute of bad, unsound and imperfect or unskilled work to be removed and taken away and reconstructed or recreated be considered as an admission of due performance of the contractor, or any part thereof in any respect, or the actual of any claim nor shall it conclude, determine or affect in any way the powers of the Engineer-in-charge under these conditions or any of them as so the final settlement or adjustment of the accounts or in any other way vary or affect the contract.</p> <p>Clause 8: The final bill shall be prepared by the officer of the Public Work Department in accordance with the rules of the department in the presence of the contractor within the month of the date fixed for completion of the work.</p>
<p>Stores supplied government</p>	<p>Clause 9: If the specification or estimate of the work provides for the use of any special description of material to be supplied from the Engineer-in-charge's stores or if it is required that the contractor shall use certain stores to be provided by the Engineer-in-charge under the conditions of this contract or (such materials and stores, and the prices to be charged therefore as herein after mentioned being so far as practicable for the convenience of the contractor, but not so as in any way to control the meaning or effect of this contract are specified or memorandum here to annexed) the contractor shall be supplied with such materials and stores noted in the annexed such schedule require from time to time to be used by him for the purposes of the contract, only and the value of the full quantity of materials and stores so supplied at the rates specified in the said schedule may be set off or deducted from any sums then due or thereafter to become due to the contractor under the contract or otherwise, or against or from the security deposit, or the proceeds of sale thereof, if the same is held in Government security the same or sufficient portion thereof in this case sold for the</p>

	<p>purpose. All materials supplied to the contractor shall remain the absolute property of Government and shall not on any accounts be removed from the site of the work and shall at all times be open to inspection by the Engineer-in-charge. Any such materials unused and in correctly in good condition at the time of the completion or determination of the contract shall be returned to the Engineer-in-charge's store, at the prevailing market rate or at the issue rate whichever is less if by a notice in writing under his hand he shall so require, but the contractor shall not be entitled to return any such materials unless with such consent and shall have no claim for compensation on account of any such materials so supplied to him as aforesaid being unused by him, or for any wastage to or any such materials.</p>
<p>Work to be executed in accordance with specification drawing other etc.</p>	<p>Clause 10: The contractor shall execute the whole and every part of the work in the most substantial and workman like manner, and both as regards materials and otherwise in every respect in strict accordance with the specifications. The contractor shall also confirm exactly, fully and faithfully to designs, drawings, and instructions in writing relating to the work signed by the Engineer-in-charge and lodged in his office and to which the contractor shall be entitle to access at such office, for the purpose of inspection during office hours, and the contractors shall, if he so require be entitled at his own expenses to make or cause to be made copies of the specification, and of all such designs, drawings and instructions as aforesaid.</p>
<p>Alteration in specifications and designation</p> <p>Do not validate contract</p> <p>Time in consequence of alteration</p>	<p>Clause 11: Engineer-in-charge shall have power to make any alteration in additions to the original specifications, drawings and instructions that may appear to him to be necessary or advisable during the progress of the work. The contractor shall be bound to carry out the work in accordance with any instructions which may be given to him in writing signed by the Engineer-in-charge, and such alteration shall not invalidate the contract and any additional work, which the contractor may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on the same conditions in all respects on which he agreed to do for completion of the work shall be extended in the proportion that the additional work bears to the original contract work and the certificate of the Engineer-in-charge shall be conclusive as to such proportion and to the additional work includes any class of work, for which no rates is specified in this contractor then such class of work shall be carried out at the rates entered in the sanctioned schedule or rates of the locality during the period when the work is being carried on and if such last mentioned class of work is not entered in the schedule of rates of the district then the contractor shall within seven days of the date of his receipt of the order to carry out the work inform the Engineer-in-charge does the rates which in his intention to charge for such class of work and if the Engineer-in-charge does not agree to this rate he shall be noticed in writing be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable provided always that if</p>

	<p>the contract shall commence work or in our expenditure in regard thereof before the rate shall have been determine as lastly herein before mentioned then and in such case he shall only be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of the determination of the rates as aforesaid according to such rate or rates as shall be fixed by the Engineer-in-charge in the event of a dispute the decision of the Dy. General Manager JUIDCO Ltd.</p>
Rate of work no in estimate or schedule of rates of the district.	<p>Provided always that the contractor shall not be entitled to any payment for any additional work done unless he has received an order in writing from the Engineer-in-charge for the additional work the contractor shall be bound to submit his claim for any additional work done during any month on or before the 15th days other following month accompanied by a copy of the order in writing of the Engineer-in-charge for the additional work and the contractor or shall not be entitled to any payment in respect of such additional work if be other submit his claim within date aforesaid period.</p>
Compensation for alteration in or restriction of work to be carried out.	<p>Clause 12: If at any time after the commencement of the work the Government of Jharkhand shall for any reason whatsoever not require the whole thereof as specified in the tender to be carried out, the Engineer-in-charge shall give notice in writing of the fact to the contractor who shall have no claim to any payment of compensation whatsoever on account of any profit or advantage, which he might have derived from execution to the work in full, but which he did not derive in consequence of the full amount of the work not having been carried out neither shall he have any claim for compensation by reason of any alternation having been made in the original specification, drawing, designs and instruction which shall involve any installment of the works as originally contemplated clause 12 (a). As enclosed in G. O. 1929 dated 11.9.56.</p> <p>Clause 12:- (a) The contractor shall not be entitled to claim any compensation for loss suffered by him on account of delay by or on behalf of Government in the supply of materials as stores which the Government may have undertaking to supply where such failure is due to :-</p> <p>(i) natural calamities, (ii) act of enemies, (iii) transport and procurement difficulties or (iv) circumstances beyond the control of the State Government.</p> <p>In case of such failure in delay in the supply of materials or stores on an application by the contractor within 30 days from the date of such failure or delay such extension of time shall be granted to the contractor for completion of the work as shall appears to the Engineer to be reasonable in accordance with the circumstances of the case. The decision of Project Manager, JUIDCO Ltd. as to the extension of time shall be accepted as finally by the contractor.</p>
Action and compensation payable in case of work	<p>Clause 13: If it shall appear to the Engineer-in-charge or his subordinate in-charge of the work that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of any inferior description, or by any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for at otherwise not in accordance with the contract, the contractor shall on demand in</p>

	<p>writing form the Engineer-in-charge specifying the inadvertently passed certified and paid for, forthwith rectify or remove and re-contract the work so specified in whole or in part as the case may remove the materials or articles so specified and provided other proper and suitable materials or articles at his own proper charge and cost, and in the event of failing to do so within period to be specified by the Engineer-in-charge in his demand aforesaid the contractor shall be liable to pay compensation at the rate of one percent, on the amount of the estimate for every day not exceeding ten days while his failure to do so shall continue and in the case of any such failure the Engineer-in-charge may certify or remove and re-execute the work or remove and replace with others, the materials or articles complained of as the case may be at the risk and expense in all respects of the contractor.</p>
Work to be taken to inspection	<p>Clause 14: All work under in course of execution or executed in presence of the contractor shall at the times to open to the inspection and supervision of the Engineer-in-charge and his subordinates and the contractor shall at all times during the usual working hours and at all other time at which reasonable notice of the intimation of the Engineer-in-charge or his subordinate to visit the works shall have been given to the contractor, either himself to be present to receive orders and instruction, or have a responsible agent duly credited in writing present for that purpose orders given to the contractors agent all shall be considered to have the same force as if they had been given to the contract himself.</p>
